Chapter Assembly Song

GOD HAS MADE US A FAMILY

Ref.

God has made us a Family, and together we will grow in love

God has made us a Family, and together we will grow in love.

1. Oh yes! We need one another, as together we grow in love;
And we forgive one another, as together we grow in love.
2. Together we will hear God's Word as we learn to grow in love;
Together we will pray as one, as we learn to grow in love.
3. We will reach out to those in need as we learn to grow in love.
To those who are lonely and hurting, as we learn to grow in love.
